Dear Pupil and Parent,

- The Recycling Factory would like to introduce you to a simple recycling scheme that has the potential to raise thousands of pounds for your school.
- The Recycling Factory will pay your school **£1.00** for every inkjet cartridge and mobile phone returned that we can successfully recycle.
- You can help raise thousands of pounds for your school by collecting empty inkjet cartridges from your printers at home, school or work. We can also take your old mobile phones for recycling.

How does the scheme work?

- Simply place your empty inkjet cartridges or old mobile phones into the Free Post Collection envelope provided and post it back to us.

IT'S AS SIMPLE AS THAT!!

£1.00
will be donated
TO YOUR SCHOOL
for every reusable
inkjet cartridge and
mobile phone
returned.

All
Hewlett Packard®
Lexmark® Dell®
inkjet cartridges and
mobile phone
(see website for full listings)
can be recycled.

Some Canon cartridges
can also be recycled.
